

# Madison Knitters' Guild

Here's a collection of example dishcloth patterns for Madison Knitters' Guild Community knitting. All use machine washable worsted cotton such as Sugar 'n Cream. Use a #6 needle (loose knitters) or #7 (medium to tight knitters). Finished cloths should measure about 8"x8" to 9"x9".

## Grandmother's Favorite Dishcloth

---

Cast on 4 stitches

**Row 1:** Knit 4.

**Row 2:** Knit 2, yarn over, knit across the row.

**Repeat Row 2** until you have 44 stitches on the needle.

**Row 3:** Knit 1, Knit 2 together, yarn over, knit 2 together, knit to the end of the row.

**Repeat Row 3** until you have 4 stitches on the needle.

You can now either bind off or do a round of single crochet and make a little loop of chain stitches in one corner so you can hang the cloth to dry when you are finished using it.

## Bee Dish Cloth

---

*This cloth can be knitted as a plain fabric or with a design in the middle. Use the bee pattern included here or any design using your total stitch count minus the 6 garter edge stitches.*

(from Stephanie Pearl McPhee aka Yarn Harlot... "Because someone will ask, and even though I swear you don't need a pattern, here goes.")

Cast on some stitches. I use about 30-35, but [the bee stitch version was] 31.

Whatever goes in the middle, I like garter stitch borders, because I like them nice and square and finished looking. I knit six rows, then keep the first and last three stitches in garter throughout.

Knit until it's just about a square, then knit six rows. Cast off.

**Bee Stitch pattern:**

This lovely stitch is a four row repeat worked over a multiple of 2 stitches, plus 1

K1B = Knit into the stitch below the next stitch on your left needle - you will be dropping the next stitch off the left needle at the same time. This is a bit hard to understand written, so be sure to watch the video if you are confused.

Row 1: Knit all stitches (This is the wrong side of your fabric)

Row 2: Knit 1, \*K1B, Knit 1\*, repeat from \* to end

Row 3: Knit all stitches

Row 4: K2, K1B, \*K1, K1B\*, repeat from \* to the last two stitches, K2

Repeat these four rows for pattern. Enjoy!
