10.5 needles

## Materials

### Yarn

Worsted- or sportweight yarn,  
100-150 grams [See *Pattern  
Notes*]

### Needles

Any size that gives you a fabric  
you like for the scarf.

### Gauge

Gauge is not required for this  
project.

**Abbreviations:** K: knit; P2tog: purl 2 sts together; Sts: stitches; yo: yarn over

## Pattern Notes

This one-row pattern works well in either a worsted weight yarn or sport weight and will look different depending on the yarn and needles used, as shown in pictures above. It is worked over a multiple of four stitches.

*MKG Note: This pattern may also be worked in other weights of yarn as well, adjusting needle size and number of cast-on stitches as desired to produce a pleasant scarf size and fabric.*

The original pattern is available as a free download from Ravelry at <http://www.ravelry.com/patterns/library/lacy-knitted-scarf>, as well as the MKG website at <http://madisonknittersguild.org/communityPatterns>.

## Instructions

Cast on 32 stitches (or any multiple of 4 sts).

**Row 1:** K2; \*p1, k1, yo, p2tog, repeat from \* until last 2 sts; k2.

*(Note: The k2 at each end of the row helps to stabilize the edges to keep them from rolling inward.)*

Repeat Row 1 for the desired length. Bind off. Add fringe if desired.
